### **A SUCCESSFUL JP SEASON!**

This season, Jefferson Players has put on 4 productions and has had many other projects. We have had regular improv, a performing improv troupe, a season of web-series, a very successful speech season, and many JP activities inside and outside of school! We had holiday parties, as well as going ice skating all together. With a lot of our restrictions due to COVID going away throughout the year, we've had a lot more freedom than we have in the past couple of years to do things. Hopefully we will have even more in the coming season for Jefferson Players!

### **SENIOR SPOTLIGHT**

Although nearing the end of the season can be exciting, we have to say goodbye to our graduating JP members. Clem Kollman is our JP President who has been involved with JP since they were in 7<sup>th</sup> grade, but especially since their sophomore year. Their favorite part of being a part of Jefferson Players has been the people that they've met along the way. During their upcoming gap year, they plan to audition for shows at the Civic Theatre. They will continue to come see every JP show they can in the future, and they say, "You can expect to see me there every night of every show."

### **QUARTER QUESTION**

What is your favorite memory from this season?

"My favorite moment was when Elliot wore his dada costume for the wrong JP meeting." –  
Chloe W.

## **THIS SEMESTER**

This semester, Jefferson Players put on 2 productions, as well as going to see 2 productions! We just ended a very successful weekend of performances of Romeo and Juliet, this being the first time Jeff has done this play. Ms. Braswell plans to do many more Shakespeare plays after this one. We also performed The Lion, the Witch, and the Wardrobe earlier in the semester. Aside from our own JP performances, Ms. Braswell has taken the advanced theatre class to go see a couple plays at Purdue, including 12<sup>th</sup> Night and Men on Boats. Going to see these shows was very enjoyable for her theatre class, and they got a glimpse into what college theatre could be like for them.
